

STUDENT SUCCESS CENTER
Informed Consent

I am aware that:

- It is my right and responsibility to disclose my disability to my instructors when and where I choose to initiate requests of accommodations.
- I will be expected to present my Access Plan when making a request.
- I may request to review of my current Access Plan at any time.
- I must make accommodation requests in a timely fashion.
- When scheduling accommodated test in the Student Success Center office, it is my responsibility to schedule enough time to complete the test during normal office hours.
- I will be expected to meet the same attendance requirement, conduct, and course requirements of the university as any other student.
- The implementation of accommodations is not retroactive.
- I can request assistance from the Director of Student Success Center if mutually acceptable accommodations cannot be established through communication with my instructor and the Student Success Center.

The information concerning my disability is confidential and will not be released without my consent. At this time I give my consent to representatives from Oklahoma Wesleyan University contact any individual(s) on a need to know basis only, and to release/obtain/verify information related to my disability(ies) and/or education.

I have had an opportunity to read the consent form, and to ask questions. I understand the rights and responsibilities outlined in this document.
