

EAGLE CAMPUS EXPANSION FIELDS + TRACK PROJECT

OKWU’s Eagle Campus Expansion will bolster outdoor and multi-purpose facilities to enrich and develop the lives of every student, faculty and staff. The focus of health, wellness, and athletic success will advance our mission—developing the whole person to reach the whole world.

Beginning with our **Fields + Track Project**, championship-level turf fields will be installed for soccer, baseball, and softball along with a new track and field. Future expansion of a field house and wellness center will further enhance student activities and enable intercollegiate athletic success.
