Dear President Dunn:

Re: State Authorization Reciprocity Agreement Institutional Renewal

I am pleased to confirm that Oklahoma Wesleyan University (OKWU) meets the requirements to continue participation in the State Authorization Reciprocity Agreement (SARA). Therefore, OKWU's request to renew participation in SARA is approved pending ratification by the State Regents at their October 22, 2020 meeting.

A notice of this renewal has been submitted to the National Council for State Authorization Reciprocity Agreements (NC-SARA).

OKWU's principal SARA contact, Dr. Keri Bostwick, should have received an email from NC-SARA that contains a link to submit payment and finalize the renewal process.

If you have questions or comments regarding this action, please contact Dr. Kyle Foster, Assistant Vice Chancellor for Academic Affairs, at (405) 225-9163 or [kfoster@osrhe.edu](mailto:kfoster@osrhe.edu).

Sincerely,

Glen D. Johnson  
Chancellor
